**RAKE IN HOME COMFORT SAVINGS THIS FALL**

**Save energy and money without sacrificing comfort**

Some ENERGY STAR® smart thermostats auto-adjust to help you manage your home's heating and cooling costs. Plus, they're easy to install! Smart thermostats can save up to \$120 annually and typically pay for themselves in two years.

St. Croix Gas and FOCUS ON ENERGY® are proud to provide **\$50 cash back** on select smart thermostats if purchased online or in-store. Additional incentives are available if installed by a Trade Ally Contractor.

For more information, or to see a list of qualified smart thermostats, visit our website at [focusonenergy.com/smart](http://focusonenergy.com/smart) or call 800.762.7077.
