Coronavirus changes:
Please use our drop slot for payments if you pay at our office

To the left of our front door is a metal drop slot. Customers wishing to pay their bills at our office are urged to use the drop slot instead of coming in to the office.

If you pay by cash or want a receipt, or have an application to submit, please call us from your car and we will assist you. We are washing our hands after handling cash and disinfecting surfaces regularly. Thank you for your cooperation!

See the column at left for additional bill payment options. **Auto Pay is free, and does not require internet access or a credit card.** Call us at 715-425-6177 to learn more.

Call 811 before you dig!

For planting trees, building decks or fences, or installing mailboxes, call 811 (Wisconsin's Diggers Hotline) to have your underground utilities located. Avoiding creating ground leaks and outages which may not show up immediately. It's the law! You must call 811 at least 3 business days before you dig.

Dry your grain more efficiently in 2020

Get ready for the upcoming growing season by improving the efficiency of your grain drying process. No matter if you are replacing equipment or doing a tune-up, FOCUS ON ENERGY® offers financial incentives providing a return on your investment less than halfway through the drying season.

Install an efficient natural gas grain dryer and receive \$16 per bushel per hour drying capacity. Are you looking for a tune-up instead? Tune up your existing equipment and receive \$150 per tune-up.

Keep your grain dryer running at its highest efficiency. For more information, call 888.623.2146 or visit focusonenergy.com/agribusiness.

*Some programs require that a resident must be a customer of a participating natural gas AND electric utility. Find out if your electric utility participates at focusonenergy.com/utilities.
