**Yes! Thermostat set-back saves you money, lowers energy use**

**Renters, ask your landlord how to set your thermostat down at night and while you are away.**

*Does setting your thermostat back during the day really save you money?*

Some people believe the savings are lost when your furnace must warm the house up again. But that is not actually true. Visit this website to read more:

**ARE YOU EXPERIENCING ANY OF THE FOLLOWING IN YOUR HOME?**

- Drafty rooms
- Fluctuating temperatures
- Inefficient heating and cooling equipment
- Moisture and mold issues
- Ice dams
- An aging home

A home energy assessment will help you find the root cause of these issues and will provide you with an energy report that highlights which upgrades will provide the best solutions for your home. FOCUS ON ENERGY® can help you make those upgrades by providing financial incentives of up to \$1,250 or \$1,700 for income qualified customers.

**INTERESTED IN AN ENERGY ASSESSMENT?**
