Your monthly bill for the new Budget Year was updated

The Budget Plan for each customer choosing this option was recalculated in July. Your new Budget payment appears on this month's bill. Budgets are calculated based on usage and forecasted prices for natural gas.

Experiencing any of these in your home?

- Drafty rooms
- Moisture and mold issues
- Fluctuating temperatures
- Inefficient heating and cooling equipment

A home energy assessment helps find the root cause and identifies the best upgrade solutions for your home. Address your home's issues now and save money on your heating bills this winter. Plus, rebates may be available through FOCUS ON ENERGY® to help offset improvement costs.

*Some programs require that a resident must be a customer of a participating natural gas AND electric utility. Find out if your electric utility participates at focusonenergy.com/utilities.

Benefits from Focus on Energy assistance, state-wide

Focus on Energy is Wisconsin utilities' statewide energy efficiency and renewable resource program funded by the state's investor-owned energy utilities and participating municipal and electric cooperative utilities. In 2021, Focus on Energy offered financial incentives and technical assistance to help eligible Wisconsin residents and businesses reduce their energy waste.

According to an independent evaluation of 2021 programs, Focus on Energy delivered \$4.14 in benefits to Wisconsin residents and businesses for every \$1 dollar spent, resulting in economic benefits, reduced energy costs, and reduced emissions. In addition, the overall customer satisfaction rating for 2021 was 9.5 on a 10-point scale. For more information on how Focus on Energy can help you save energy, go to www.focusonenergy.com
