Auto Pay takes care of it!

Simplify your life with Auto Pay for your gas bill. Each month, on the due date, St. Croix Gas will automatically withdraw your gas bill payment from your checking or savings account. When your bill arrives at the beginning of the month, you will see the amount that will be withdrawn. The payment will not be withdrawn until our due date, usually the 25th, or later if that falls on a weekend or holiday.

You never have a late fee! And you don't have to pay a credit card fee either! Call us at 715-425-6177 to inquire about setting up Auto Pay. There is also information on our website, www.stcroixgas.com.

Are you ready for higher energy bills? FOCUS ON ENERGY® has incentives to help you upgrade your furnace and water heater. If your appliances are 15 years old, it's time to ask your local appliance installer about getting a more efficient model. Focus on Energy can also help with energy assessments to help you consider insulation, windows, and sealing leaks.

*Some programs require that a resident must be a customer of a participating natural gas AND electric utility. Find out if your electric utility participates at focusonenergy.com/utilities.

Do you know the smell of odorized natural gas?

To alert you to the smell of a natural gas leak inside or outdoors, we odorize our natural gas to make it stinky. Call us if you smell a leak!

Leaks can occur in the ground from our pipelines, or indoors, from your home's piping or appliances.
