Or... AutoPay is FREE and automatic each month—details on our website. Pair it with Budget Plan to make your gas bill payment amount predictable.

Spring yard projects? Call before you dig!

For any project in your yard that involves digging, be sure to call Diggers Hotline at 811. Your utilities will be marked.

This service is free. It is also required by law. By marking your utilities, accidental damage is avoided.

Instead of calling, you may prefer to use their website to file your request:

Call before you dig.

Who's in my back yard and what is he doing?

It's spring and that's the time for our gas leak surveys to begin. We survey each business district annually and each residential district every three years. Our employees wear blue uniforms with our logo and their names. If you want to check on someone in your yard, give us a call at 715-425-6177.

Now's the time to take advantage of federal tax credits. Wisconsin residents can save more than ever before on energy-efficient home upgrades. Not only will these upgrades save you money on your utility bill, your energy-efficient home improvements may also be eligible for a rebate from FOCUS ON ENERGY® and/or a federal income tax credit.

Learn more at <https://focusonenergy.com/blog/ira-federal-tax-credits>.

*Some programs require that a resident must be a customer of a participating natural gas AND electric utility. Find out if your electric utility participates at focusonenergy.com/utilities.
