Call 811 before you dig! If you are installing a mailbox, a deck, a pool, a tree or shrub, or excavating for any reason, call 811 at least 3 business days before you dig.

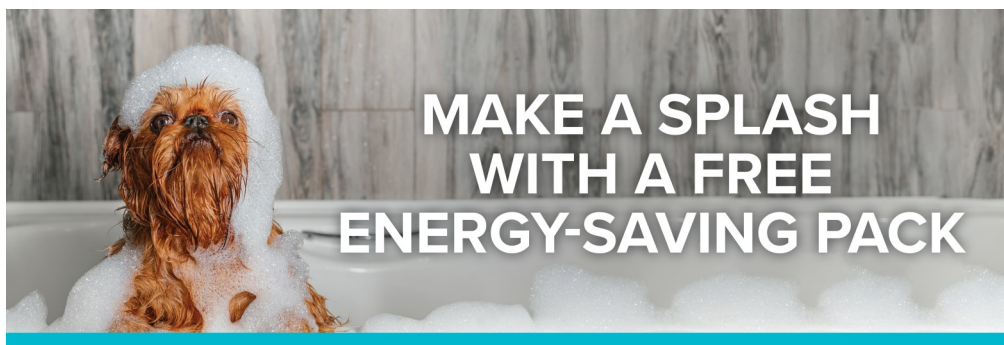

It's the law! And it's free!

The utilities (electric, water, gas, communications) in your yard will locate their lines with striping to allow you to dig without harming them.

Even a scrape can turn into a leak or outage. Don't take a chance.
