Who's in my back yard and what is he doing?

It's spring and that's the time for our gas leak surveys to begin. We survey each business district annually and each residential district every three years. Our employees wear blue uniforms with our logo and their names. If you want to check on someone in your yard, give us a call at 715-425-6177.

**Spring yard projects?
Call 811 before you dig!**

This service is free. It is also required by law. By marking your utilities, accidental damage is avoided.

Instead of calling, you may prefer to use their website to file your request:

**SAVE ENERGY
AND GET COMFY
IN YOUR HOME**

Ready to insulate your home? One of the best ways to improve comfort, lower your energy costs, and boost efficiency in your home is through insulation and air sealing. FOCUS ON ENERGY® offers rebates to bring down the cost of insulation and air sealing, and a list of Trade Ally contractors to help you complete the project with ease. There are also DIY options for those who prefer a hands-on approach.
